

DONATION OPPORTUNITY: ART SUPPLIES FOR ELEMENTARY SCHOOLS

Why: Our local elementary school teachers are seeking art supplies so that they can teach more art lessons. Most of our local schools don't have enough funding to maintain a formal art program with separate art teachers, classes and curriculum. However, elementary classroom teachers work hard to integrate art into their daily lessons. Hands-on art projects are an excellent way to teach elementary students about many subjects, including reading, science, and social studies. In addition, numerous studies have shown that art makes school more enjoyable and engaging for students and contributes to their overall success. Please join us in collecting and donating art supplies for our local schools.

Collect art supplies as an employee engagement activity at:

- Company meetings
- Team-building events
- Or adopt a local school as an ongoing program at your company

Two Simple Steps:

- 1) Collect the art supplies
- 2) Contact WFAE and we'll coordinate the donation

Participating Elementary Schools:

Livermore – Jackson Ave., Joe Michell (K-8), Junction Ave. (K-8), Marilyn Ave., Arroyo Seco, Altamont Creek
Pleasanton – Alisal, Donlon, Fairlands, Mohr
Dublin – Dublin Elementary, Murray Elementary, Fredriksen Elementary
